**Amendment to Semi-Annual Report**

Dear Ms. Dortch:

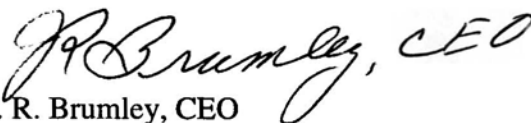

South Slope Cooperative Telephone Company - d/b/a South Slope Wireless ("South Slope") is the licensee of Broadband PCS Stations WPOL801 (A-Block, Partitioned Submarket 82, – Des Moines-Quad Cities MTA), WPOL802 (A-Block, Partitioned Submarket 86, – Des Moines-Quad Cities MTA), WPSF627 (A-Block, Partitioned Submarket 222, – Des Moines-Quad Cities MTA), WPWM732 (A-Block, Partitioned Submarket 262, – Des Moines-Quad Cities MTA) and WPZU774 (A-Block, Partitioned Submarket 270, – Des Moines-Quad Cities MTA).

At the request of the Commission's staff, we are submitting this amendment to our most recent Semi-Annual Report (dated May 15, 2006) to clarify that South Slope promptly completed the package labeling and insert process for its inventory of M3-rated wireless phones, prior to December 15, 2005. Accordingly, all of the HAC-compliant wireless handsets offered to customers by South Slope since that time have been labeled as required under the Commission's Rules.

Should you have any questions concerning this report, please contact John Prendergast or Cary Mitchell of the law firm of Blooston, Mordkofsky, Dickens, Duffy & Prendergast. Either may be reached by calling (202) 659-0830.

Respectfully submitted,

**SOUTH SLOPE COOPERATIVE TELEPHONE  
COMPANY D/B/A SOUTH SLOPE WIRELESS**
